

Mohammad Ahmad Al Bowardi Chairs the Executive Committee Meeting

Abu Dhabi, 25 August 2010

The Executive Committee, Chaired by H.E. Mohammad Ahmad Al Bowardi, Secretary General of the Executive Council and Member of the Abu Dhabi Executive Council, reviewed the projects submitted by the Department of Transport (DoT) regarding the new Abu Dhabi – Dubai Highway. The meeting was held on Wednesday, 25 August 2010, at the Abu Dhabi Crown Prince's Court.

The project is considered as a key element of the new infrastructure development plan undertaken by the Department of Transport (DoT) to enhance the main road network in the Emirate of Abu Dhabi.

The Executive Committee also reviewed a number of projects submitted by the Environment Agency – Abu Dhabi (EAD) regarding recurring budgets for the operation and maintenance of forests in the Western Region, Ras Ghurab Island, Um Al Oush Forest, Al Quoa Forest, and 56 farms in the Western Region.

The Executive Committee also discussed a number of important topics and memoranda listed on its agenda relating to the implementation of plans and projects, and service development which were submitted by government departments in Abu Dhabi Emirate.
